Course Objectives

- To review the recently published Cancer Care Ontario and Colposcopy Guidelines and the evidence to support them.
- To discuss the elements of a comprehensive and effective Cervical Cancer Prevention Program.
- To explore opportunities for the optimal delivery of colposcopy services in Ontario.

Accreditation

- Application for accreditation has been submitted with the Royal College of Physicians and Surgeons for this program to be an accredited group learning activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program.
- This program has been submitted for accreditation with the College of Family Physicians of Canada.
- For nurses, this course will fulfill the requirement for reflective practice.
