

# DC-PHCAG

Dietitians of Canada  
Primary Health Care Action Group

3<sup>rd</sup> Annual RD Research Day

Take a Bite out of Research: Capturing our Work in Primary Care

Fri, May 2<sup>nd</sup>, 2014 University of Guelph, Guelph, ON

Keynote speakers	Dr Sharon Straus	Take me from A to KT: Knowledge Translation
	Dr Gail Dobell	Health Quality Ontario: Finding the Patient Experience
2 workshops-3 options	<b><i>Tiptoe through the Data</i></b> A hands on look at finding the evidence/information you need quickly: tools and tips; and getting the gist—what the stats tell us	
	<b><i>Brave New World - Stories from the start</i></b> Research as pilot testing: starting small and building confidence—better chart audits, better questionnaires – tips, new tools and programs	
	<b><i>Listening for the silent patients' voices</i></b> The near future: focus on the patient at the centre. Strategies for community engagement: building care on what the community tells us	
Networking opportunities		

Registration will be via DC web page - details to follow

Early Bird \$55 ♦♦♦ after April 21 \$75

Join us for an interactive day of research skill building! Aimed at all primary care dietitians, this one-day conference will inspire you with its many opportunities to learn and practice research skills. Take time to learn and share with your colleagues. For more information contact
