Good Samaritan **OVERDOSE ACT**

provides some legal protection, including for simple possession, for people who experience or witness an overdose and call 9-1-1 for help.

The law <u>does</u> provide protection against charges for	The law <u>does not</u> provide protection against charges for
Possessing drugs for your own use	Selling illegal drugs (trafficking): Police may suspect this if you have a large amount of drugs, cash or items like scales, baggies, and debt lists
	Offences other than drug possession
Violating conditions of your parole, bail, probation or conditional sentence for a simple drug possession charge	Any outstanding arrest warrants
	Violating conditions of your parole, bail, probation or conditional sentence for an offence that is not simple possession

Endorsed by the Ontario Association of Chiefs of Police.

Disclaimer: This is legal information — not legal advice.
If you need legal advice, please consult a lawyer about your situation.

KFL&A
Public Health

KFL&A Community Drug Strategy Advisory Committee

- Membership:
 - Health and social services
 - Law enforcement
 - Municipalities
- Convened March 2017
- Four pillar model
- Opioid action plan
- Community drug strategy
 - Collective impact approach
 - Upstream initiatives
 - Engagement with the community including people with lived experience

Drugs in this area are being cut with **Fentanyl**.

You can't see, smell, or taste it.

**Even a small amount
can cause an overdose.**

If you suspect an overdose,
call **9-1-1** immediately.

Don't use alone. Carry naloxone.

OTHER PARTNERSHIPS

- Supporting implementation of naloxone in secondary schools of local school boards
- City of Kingston staff training to support implementation of naloxone in public-facing facilities
