EMR User Meetings

EMR Vendors will host an information and knowledge sharing session for AFHTO member users with the aim of working towards responding to evolving measurement and reporting requirements. The EMR User Meetings will give FHTs the opportunity to develop their skills, knowledge and share best practices for maximizing their use of the EMR system.

Participating EMR Vendors:

- ABELMed
- Telus Health (PSS software)
- OSCAR
- QHR Technologies Inc. (Optimed EMR, Healthscreen and Clinicare software)

Invited EMR Vendors:

- Bell EMR
- P&P Data Systems Inc.
- Nightingale

AFHTO members can register for the sessions when registering for the AFHTO 2013 Conference.
