Thank you for your interest in submitting an abstract for a concurrent session or poster to present at the AFHTO 2018 Conference taking place October 24 & 25 in Toronto.

Conference planning committees are looking for concurrent session and poster submissions that:

- Demonstrate clarity of learning objectives and presentation format
- Present ideas/initiatives that:
  - Are innovative
  - Are relevant, useful and can be implemented in interprofessional primary care organizations
  - Demonstrate patient and caregiver involvement
  - Recognize and address the needs of their local population (access or barriers to care, rurality, etc.)
- Are backed up by evidence of impact (e.g. outcome measures, evaluation results, research findings)

**The following principles are to be included in ALL themes:**

- Partnering with patients and caregivers for better experiences and outcomes
- Moving to a culture of education and innovation
- Leadership

**Concurrent Session Format:** Either 45 minutes or 1 hour and 30 minutes long.

**Poster Format:** Maximum size for posters is 46" (vertical) x 70" (horizontal)

Due date for all concurrent session and poster abstracts is May 4, 2018 at 5:00 PM

**Before submitting an abstract, your team should:**

1. **Designate a contact person.** This person will receive the registration discount code and most of the communications from AFHTO relevant to preparing for the conference.
2. **Identify WHY someone would want to attend your presentation.** Attendees will be picking 1 out of 7-8 concurrent sessions and visiting a handful of over 70 poster presentations. You need to tell them why they should pick yours over the rest and make it an easy choice.
3. **Identify 1-3 "pearls" of information to summarize your presentation.** Reviewers and attendees want to know what key pieces of information they will take home that are practical and actionable for their teams.

**Submission & Approval Process**

1. Review the [submission form template](#) before filling out the Survey Monkey form.
2. Submit the abstract online for a poster or concurrent session **by May 4, 2018 at 5:00 PM.**
