# Optimizing Tele-education: A Live Needs Assessment

**Presented by: Dr. David Conn, Dr. Cindy Grief, Ms. Lisa Sokoloff, Baycrest**

Learning Objectives: By the end of this talk, participants will be able to:

- 1) Identify most desired topics for the upcoming 2014 - 2015 videoconferenced series
- 2) Discuss barriers to engagement and interactivity
- 3) List the benefits of tele-education for clinical practice

**Friday June 13, 2014**

**Noon - 1 pm EST**

**CLASSROOMS ABC, 2nd floor, Baycrest Hospital**

This event will be VIDEOCONFERENCED from Baycrest to various other participating sites. The speaker will present from St. Michael's Hospital. Please contact your Telehealth coordinator with **TSM 31135909** to register.

This event will be available by LIVE and ARCHIVED PUBLIC WEBCAST at: <http://webcast.otn.ca>  
Contact Lisa Sokoloff, at [Lsokoloff@baycrest.org](mailto:Lsokoloff@baycrest.org) with queries.

This program has been accredited by the College of Family Physicians of Canada and the National Chapter for up to 1 Mainpro-M1 credit. Family Physicians may also claim Mainpro-C credits via Linking Learning to Practice.

This event is an accredited group learning activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. Supported by Baycrest's Centre for Education and Knowledge Exchange in Aging and the University of Toronto's Division of Geriatric Psychiatry.

**Join and participate in pre - and post- talk conversation, and access relevant resources at: [www.gemh.org](http://www.gemh.org)**
