

Strategies for Opioid De-Implementation in Primary Care **Workshop Evaluation**

As we progress through the program, please take a moment to fill out the following sections on the form below. ***Please submit this form at the end of the workshop.***

Demographic information:

1. What is your current discipline? (Please select one response which best reflects your current professional affiliation/position.)

- Aboriginal Health Worker
- Addiction Counsellor
- Community Health Worker
- General practitioner/Family Physician
- Health promoter/Educator
- Manager/Coordinator
- Nurse Practitioner
- Pharmacist
- Psychologist
- Quality Improvement Decision Support Specialist
- Registered Nurse
- Registered Practical Nurse
- Registered Psychotherapist
- Researcher
- Senior Administrator
- Social Worker
- Other (please specify):

2. Please indicate if you work for a/an:

- Aboriginal Health Access Centre (AHAC)
- Addiction Agency
- Community Care Access Centre (CCAC)
- Community Health Centre (CHC)
- Family Health Team (FHT)
- Hospital
- Mental Health Agency
- Nurse Practitioner Led Clinic (NPLC)
- Private Practice
- Public Health Unit (PHU)
- School
- Not currently employed
- Other (please specify):

3. What region does your organization serve?

- Eastern Area - Ottawa, Kingston, Renfrew, Hastings or Prince Edward
- Central East Area - Peterborough, Haliburton, Simcoe, Peel or York Region
- Toronto and Greater Toronto Area
- Central West Area - Waterloo, Brant, Niagara, Wellington, Guelph or Haldimand-Norfolk
- South West Area - Windsor, Elgin-St. Thomas, Grey Bruce, Perth, Oxford or London
- North West Area - Thunder Bay, Kenora, Dryden or Nipigon
- North East Area - Porcupine, Sudbury, Algoma, Timiskaming or North Bay
- I work Ontario-wide
- I work out of the province of Ontario
- Other (please specify): _____

Please **rate the various components of the workshop** as they relate to facilitation and content for each section (*Indicate your answer by checking your response*):

Session#1

- What opioid and pain related services does KFL&A Public Health and Street Health offer – Fareen Karachiwalla, Rhonda Lovell, KFL&A Public Health and Travis Mitchell, Kingston CHC

Learning objectives:

- Identify the systemic and individual causes of the opioid crisis
- Describe the stigma surrounding opioid use and its effect on patients
- Describe the principles that underlie population-level strategies for addressing the opioid crisis in the Kingston area
- Identify resources available for patients from KFL&A Public Health, Street Health, and other community partners

Items	Strongly agree	Agree	Neutral	Disagree	Strongly disagree	Not applicable
a. Learning objectives were met	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b. This session was relevant to my work	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c. This session was interactive	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d. The facilitator explained concepts well	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments on the session:

Overall, I rate this concurrent session as...

- Very good
 Good
 Moderate
 Poor
 Very Poor
 Unsure

Session #2

- Opioids and Chronic Pain – Dr. Rupa Patel, Kingston CHC

Learning objectives:

- Identify the evidence for opioids in chronic pain in a primary care setting.
- Recognize the harms of chronic opioid use.
- Describe the current guidelines for responsible opioid prescribing.
- Identify the need for a harm reduction approach when prescribing opioids

	Items	Strongly agree	Agree	Neutral	Disagree	Strongly disagree	Not applicable
a.	Learning objectives were met	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b.	This session was relevant to my work	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c.	This session was interactive	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d.	The facilitator explained concepts well	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments on the session:

Overall, I rate this concurrent session as...

- Very good
 Good
 Moderate
 Poor
 Very Poor
 Unsure

Session #3

- Panel Discussion: How are non-physicians in your team helping? – Cynthia Leung, Erin Desmarais, and Abigail Scott, Queen’s FHT

Learning objectives:

- Describe how interprofessional healthcare providers can support patients and prescribers in opioid de-implementation efforts
- Identify how leaders and interprofessional healthcare providers can work together to improve care.
- Describe the interprofessional safer prescribing program
- Identify tips to implement such a program in your own teams

	Items	Strongly agree	Agree	Neutral	Disagree	Strongly disagree	Not applicable
e.	Learning objectives were met	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
f.	This session was relevant to my work	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
g.	This session was interactive	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
h.	The facilitator explained concepts well	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments on the session:

Overall, I rate this concurrent session as...

Very good Good Moderate Poor Very Poor Unsure

Please complete the following **Summative Evaluation at the end of the workshop.**

Overall Satisfaction:

Please rate the following as it relates to your overall satisfaction with the day. (*Indicate your response by checking your answer*):

Item	Strongly agree	Agree	Neutral	Disagree	Strongly disagree	Not applicable
a. The tools outlined in Tools Showcase was relevant to my practice	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b. This program will enhance my professional practice	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c. Learning Objective 1 was met: <i>Describe the value of opioid de-implementation</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d. Learning Objective 2 was met: <i>list the tools used to support interprofessional de-implementation efforts in primary care</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
e. Learning Objective 3 was met: <i>apply skills to support de-implementation efforts in primary care</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Overall, I rate this workshop as...

Very good Good Moderate Poor Very Poor Unsure

What is the most valuable thing you learned today?

What are some possible barriers that might present challenges in making changes to your practice? *(Please indicate your answer by checking your response):*

Item	Barriers	Yes	No	Unsure	Not applicable
a.	Access to treatment	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b.	Complexity of treatment	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c.	Client motivation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d.	Need more education	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
e.	Need more clinical tools	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
f.	Technological support	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
g.	Organizational support	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
h.	Not enough staff	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
i.	Staff motivation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
j.	Funding / finances	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
k.	Time	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other *(please describe)*: _____

What are some of the things that will support or enable you to make these changes? *(Please indicate your answer by checking your response):*

Item	Enablers	Yes	No	Unsure	Not applicable
a.	Community support and collaboration	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b.	Organizational support	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c.	Staff / peer support	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d.	Opportunities to practice	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
e.	Opportunities for professional development	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
f.	Concrete clinical tools	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
g.	Client motivation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
h.	Funding / finances	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
i.	Time	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other (please describe): _____

Please identify the **top 3** opioid topic areas that you would be interested in gaining more knowledge in. *If the topic is not identified in the list below, please provide a response in the "Other" section:*
