2015 Medical Psychiatry Annual Conference:

Integration and Complexity in Medical Professional Education

Thursday, October 29th

Toronto Marriott Bloor Yorkville Hotel

Save the Date

In its second annual conference, the Medical Psychiatry Alliance (MPA) is driving integration of medical and mental health education across health professions so that we can equip these health professionals with the best knowledge, tools and resources they need in order to achieve the best health outcomes for patients with both mental and physical illnesses.

Plenaries

Innovation in Mental Health Training

Dr. Sean Cross - Consultation Liaison Psychiatrist, South London and Maudsley NHS Foundation Trust, London, U.K.

Novel Training Models: Role in Medical Psychiatry

Dr. Mary Jane Esplen - Executive Director, de Souza Institute, University Health Network, Toronto

Dr. Andrea Furlan - Scientist, Toronto Rehabilitation Institute

Dr. David Wiljer - Senior Director, Transformational Education and Academic Advancement, CAMH, Toronto

Registration: \$50.00

*Allied Health Professionals may request registration fee reimbursement after attending the Conference
