

Oncology Day 2016

Central
Regional Cancer Program
in partnership with Cancer Care Ontario

5th Annual Central LHIN Oncology Day for Primary Care Providers: New Frontiers

Friday, November 18, 2016

Hilton Suites and Conference Centre
8500 Warden Avenue, Markham

As the Regional Cancer Centre for Central LHIN, the Stronach Regional Cancer Centre at Southlake invites our LHIN partners to participate in the 5th Annual Central LHIN Oncology Day for Primary Care Providers: New Frontiers. This educational event is open to family physicians and nurse practitioners, internists, other specialists, nurses, and allied health professionals with an interest in the care of patients with a cancer diagnosis.

Register at <http://centraloncologyday2016.eventbrite.ca/>. Early Bird \$100 (prior to Sept 30), Regular \$125, Residents/Fellows complimentary

OVERALL OBJECTIVES FOR THE DAY:

1. Review the current landscape of treatment for common cancers and its impact on patient care
2. Explore practical applications for genetic testing for common cancers
3. Discuss the long-term complications and follow up of cancer patients
4. Address the role of the management of patients at home with oncologic conditions
5. Assess the evolving role of health care professionals in medically assisted death
