Terms and Conditions:

Registration
- All presenters must register and pay the applicable conference fee. For each approved concurrent session, up to 2 presenters will be granted a $50 discount off the conference registration fee. The discount code was sent to the contact person on June 20.

Submitting your slides
- Presentation slides must be submitted two weeks before the conference, September 30, 2016. You will receive a follow-up e-mail reminding you of this deadline and to confirm the number of participants registered for your presentation.

Declaration of Conflict of Interest
- We are currently seeking accreditation from the College of Family Physicians of Canada and the Ontario Chapter. Your presentation qualifies as learning time under this accreditation. As a result, all presenters must declare any potential conflicts of interest during their presentation and to conference organizers in order to fulfil CFPC’s requirements. To meet these requirements please include the following:
  - [The Declaration of Conflict of Interest template for slide presentations](#)
  - [The CFPC MAINPRO® Declaration of Conflict of Interest Form](#)
  - For assistance with this, you can consult the “Quick Tips” document here.
  - If you’d like to know more about what type of conflicts have to be declared, you can refer to the links below:
    - [CMA Guidelines for Physicians in Interactions with Industry](#)
    - [RxD Code of Ethical Guidelines](#)

AV Requirements
- Please confirm with us if there is a multimedia component to your presentation (sound, video, demonstration of a program or software, etc.).

Schedule
- The full concurrent session schedule is located on the page following your presenter checklist.
Responsibilities of the Contact Person:
It is the responsibility of the contact person to:
- Provide the discount code to eligible presenters before they register for the conference
- Ensure that all presenters fill out and submit the conflict of interest form
- Provide up-to-date relevant information about the presentation in a timely manner e.g. if there are any special requests or if there is any change in presenters
- Ensure all presenters have the latest information about the conference as provided by AFHTO, including date and time of the presentation

Webinar
A webinar, "What do attendees want to hear?", will be hosted on September 8 and 14, 2016
- This webinar will contain useful tips and lessons on presentations from past conference evaluations. The webinar will take place twice, register today to save the date.

CHECKLIST FOR PRESENTERS:

By September 9:
- Register for the conference

By September 30:
- Sign the conflict of interest form and email to conference@afhto.ca
- Confirm multimedia component to the presentation if needed
- Send presentation slides (including conflict-of-interest slides) to conference@afhto.ca

September 8 and 14:
- Webinar sessions
