Invitation for QIP Education and Navigator Training – Primary Care

Health Quality Ontario (HQO) is pleased to extend this invitation to your organization for Quality Improvement Planning Education and Navigator training, which enhances the QIP development and submission experience.

By the end of this session, participants will be able to:

- Recall the expectations for the 2015/16 Quality Improvement Plans
- Understand the QIP as a tool for driving organizational & provincial quality improvement
- Initiate the HQO Navigator components: Login, Resources, Sector QIPs, Progress Report, Narrative, & Workplan
- Understand the submission process
- Identify the HQO-led suite of supports that are available to organizations

QIP Education

HQO is offering four opportunities to attend education sessions. These webinars will also be archived and posted on the Navigator site for later reference.

What is Involved?	HQO staff will be on hand via GoToWebinar during the education sessions to provide guidance and support. A brief open discussion for peers to share ideas and final thoughts will conclude the two-hour session.

The person most responsible for filling out organizational QIPs should attend the education session.

Health Quality Ontario recognizes that there are several multi-sectorial facilities or corporations with shared governance that are required to submit discrete QIPs for each sector. HQO is interested in identifying these organizations and working with you to identify a more streamlined and integrated approach to developing and submitting QIP. If you are a multi-sector facility, please contact us at QIP@hqontario.ca.
