

2014

# Respiratory Health Forum

January  
29-30, 2014

Toronto Marriott Downtown  
Eaton Centre Hotel

Complimentary attendance for all health-care professionals in primary care in Ontario

January 29, 2014

**Day 1 Theme:** Technology in  
Primary Care: Innovations to  
Enhance Education and  
Management in Asthma and COPD

January 30, 2014

**Day 2 Theme:** Health Quality  
Ontario Indicators and Ontario's  
New Health Links

Our goal is to enhance your  
program with innovative  
technologies and new models  
of care.
