

PLEASE JOIN US FOR WATCH YOUR STEP

2014 NATIONAL FALL PREVENTION CONFERENCE
MAY 27 - MAY 28, 2014 • EATON CHELSEA HOTEL • TORONTO ONTARIO

Presented in partnership with the Falls & Mobility Network Meeting, this conference is co-hosted by the Ontario Injury Prevention Resource Centre and the BC Injury Research and Prevention Unit.

This high-calibre event will bring together experts from across Canada and around the world to share research excellence, clinical advances and policy innovations in fall and injury prevention among older adults.

It is an exceptional opportunity for those who work with older adults in all settings: researchers, practitioners and policy makers in the field of seniors' health and injury prevention.

Please do not miss this opportunity to hear from today's foremost experts.

You will leave inspired and enlightened!
