

Depression in Dementia

Presented by:

Robert Madan, MD, FRCPC, Geriatric Psychiatrist
Chief of Psychiatry, Deputy Chief of Staff, Baycrest
Executive Medical Director, Ambulatory Care, Baycrest
Program Director, Geriatric Psychiatry Subspecialty Program
Assistant Professor, University of Toronto

By the end of the session, participants will be able to:

1. Describe the challenges in making a diagnosis of depression in dementia
2. Compare the symptoms of depression in the dementia and non-dementia populations
3. List treatments for depression in dementia

Friday, December 9, 2016

Noon – 1 pm EST

Classroom ABC
