## **Nomination**

### **Comprehensive team-based care**

**North Simcoe Family Health Team**

**Well Baby Clinic**

It's Well Baby's 10 Year Anniversary and it has been a big year for us! Our Registered Dietitian has been published, our Registered Nurse received a professional development award and our Registered Social Worker is about to write her Perinatal Mood and Anxiety Disorders Certificate exam. All of this increases competency as a health promotion catalyst within our community, assisting families to be their healthiest, safest, most educated selves. Our team provides families with a 30 minute appointment at regular milestones

from birth until age three (~13 appointments total) engaging in a team-based approach to assess, support and educate.
