Booking

Secure and PHIPA/HIPAA compliant. We utilize end-to-end 256-bit encryption, and data stored on Canadian servers.

No download, no problem - Patients can access from any browser or device, and don't even have to log in to join a session

Flexible Feature Set - Configure the solution to meet your needs, so you only pay for the features you actually need.

Engaging for patients - Reduce no shows and admin overhead with secure messaging and automated patient reminders.

Full Branding - Customize your solution to feel just like your practice's own website. Let patients feel right at home.
