

Connect, learn and collaborate around newcomer navigation

About Us

N4 is a national network for the diversity of providers who assist newcomers to navigate the complex Canadian healthcare and social service systems. We provide opportunities for **education, virtual discussions, networking**, and the sharing of **data** and **resources**. Our aim is to promote best practices in the field of newcomer navigation, with the ultimate goal of improving the experience of new Canadians.

Vision

For Canadian newcomers to have a consistent and equitable experience in navigating health and social services during their settlement.

Mission

To create a national platform for newcomer serving professionals to connect, learn, and collaborate around system navigation.
