

BRIGHT LIGHTS AWARDS

2023

Nomination: 2. Optimising teams' capacity and creating efficiencies

Prescott Family Health Team

Systematic Leadership by investing in staff development and growth to optimize health team capacity.

Dr. Dinny Mathew has inspired our whole team to work collaboratively, creatively and efficiently with her commitment to excellence. Dr. Mathew has created a family health team in which all members of the team feels valued and recognized resulting in less time missed, increased morale and resulting in better quality patient care. The Prescott Family Health Team has grown through her staff development strategies with her main focus being on staff inclusion, communication and regular team huddles. Dr. Mathew has engaged patients in meaningful and purposeful roles by creating a patient advisor membership in the Board of Directors, which is evidence based practices, thus insuring the optimum patient input and care. This practice ensures that policies and procedures reflect patient/consumer input and that patient involvement in their care is guaranteed. Dr. Mathew's was also involved with the Tri-County councils to maintain a strong community connection.
