

BRIGHT LIGHTS AWARDS

2021

Nomination: Small, rural, and Northern teams that have taken care

André Veilleux, Executive Director, ESF académique Montfort

Exemplary leadership during unprecedented times: Leading the FHT through the Covid storm

Provided exemplary leadership and guidance to the FHT throughout Covid. This resulted in exceptional care for our patients, support for the physicians and staff and the broader community of patients, healthcare providers, and partners. This merits recognition because it ensured a continuity of care and access to health care without interruption. André is a leader within the FHT and for other FHTs in the Champlain region.
