

# BRIGHT LIGHTS AWARDS 2021

**Nomination: Small, rural, and Northern teams that have taken care**

## **SUNSET COUNTRY FAMILY HEALTH TEAM**

### **Recognition for the SCFHT Executive Director for Leadership Role in the Local OHT**

The Sunset Country Family Health Team Executive Director, Colleen Neil, played a vital role in establishing the local Ontario Health Team, the All Nations Health Partners (ANHP-OHT), which includes Indigenous, municipal, and health care leadership in the Kenora area. Colleen has worked tirelessly to build the partnerships that are the foundation of the ANHP-OHT. The success of the ANHP-OHT would not exist without Colleen's dedication. Colleen was creative and energized the project to create momentum despite the challenge of building partnerships during the COVID-19 pandemic.
