

# De-Implementation of High Risk Opioid Prescribing and Use

Please register online: <https://edc.camhx.ca/redcap/surveys/?s=YAWX7TNX9D>

**Monday, May 7th, 2018**

**12:00 — 1:00 PM EST**

## What is De-Implementation?

⇒ Harm reduction based approach to addressing low-value opioid prescribing practices

## Learning Objectives

1. Describe opioid de-implementation project objectives and goals
2. Identify methods of collaboration that will be used to support opioid de-implementation within your organization

### **Presenters:**

Dr. Peter Selby & Dr. Alexia Jaouich
