

Family Health Team

Board Accountability Statement

The Board of Directors governs the London Family Health Team in accordance with:

- the organization's mission, vision, and values;
- letters patent;
- by-laws;
- governance policies; and
- all relevant laws.

2. The Board of Directors acts at all times in the best interests of the London Family Health Team in good faith and honesty, having regard to the people it serves.

3. The Board of Directors maintains a culture of open debate, forthright examination of all relevant issues and strives for a consensual approach to decision-making.

4. The Directors establish objectives that are within the capacity of the organization's resources.

5. The Board strikes to maintain a balance within its employees to ensure a broad base of expertise while attaining the most efficient utilization of the facilities and resources.

6. The Board is accountable to its patients for accessible, safe, quality, patient and family centred care; to the Government of Ontario for meeting its performance and planning obligations; to staff and allied health professionals for fair, timely and transparent decision-making and effective leadership; to partners for collaboration and to the communities we serve for population health based advocacy, communication and planning.
